CV D RA SUG
South Drew Field
Ouachita Parish, Louisiana
Our File No.450549.26

Dear Sir:

On behalf of WEISER-BROWN OPERATING COMPANY, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Cotton Valley D Zone, Reservoir A, in the South Drew Field, Ouachita Parish, Louisiana:

1. To permit the applicant to drill, designate and utilize a substitute unit well for CV D RA SUG, at the location shown on the plat attached hereto, in exception to the well spacing provisions of Office of Conservation Order No. 904-A, effective March 22, 1973.
2. To explicitly find that the abovesaid substitute unit well is necessary to drain a portion of the Cotton Valley D Zone, Reservoir A, in the South Drew Field underlying CV D RA SUG, which cannot be efficiently and economically drained by any existing well in such units.
3. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Cotton Valley D Zone, Reservoir A, in the South Drew Field, Ouachita Parish, Louisiana, is fully defined in Office of Conservation Order No. 904-A, effective March 22, 1973.
